

For the Record

The Worcester Town Board held an advertised budget workshop at 6:00pm on Monday, October 1, 2018 at the Worcester Town Building. The following were in attendance:

Present: Don Lindberg ---- Supervisor
Don Zaengle ---- Councilwoman
Dave Miller ---- Councilman

Not Present: Larry DeLong ---- Councilman
Harold Ridgeway ---- Councilman

Others present: Alice Hughes, Bookkeeper, Agnes Terrell and Water Superintendent, Aaron House

Aaron House let the board know that his contract in the upcoming year will have a \$10,000 increase due to the amount of time he devotes to the water districts and to bring the pay up to similar sized water districts. The board amended the proposed 2019 budget in Worcester Water #2 and East Worcester Water #1 to reflect this increase.

The 2019 tentative budget was reviewed line item by line item.

The workshop ended at 6:50pm.
